

Acqua downlight

ACCNACQ.S459H

A modular luminaire made of die-cast aluminium with dimming, for direct and/or indirect reflected light. A rapid connector enables the modules, available in three finishes, to be connected to each other and to a variety of accessories for installation as a suspension or floor lamp, creating an infinite choice of configurations. Acqua has won three international awards: the MIAW in the Lighting category of the 2015 Muuz International Awards 2015, a Special Mention in the 2016 Codega Award and the Best of Category for Lighting in the 2016 Archiproducts Design Awards.

Characteristics

Material	Technopolymers, Aluminium
Finish	Silver
Configuration	Suspension
IP rating	IP 20
Insulation class	3
Lamp/Led	LED
Power supply	excluded
Dimming	PUSH
Watt	5,6W
Volt	24V
°K	2.7K
Emission	Direct
Lumen	650 lm
CRI	CRI 95
Length (mm)	110
Height (mm)	285
Depth (mm)	100
Weight (g)	400
Certifications	CE, UKCA

Color: Silver
