ACCNASL.G1567

Until our stock lasts.

An indoor luminaire with dimmer for indirect light from the Assolo family, featuring the evocative stress of light and a compact linear design, available in suspended, ceiling lamp, tabletop and floor lamp versions and with a 43 or 70 cm diameter. The matt black and white finishes enhance the essential simplicity of the perfect circle with a clearly-defined sign, while the matt gold finish underscores the classical timelessness of the form and adds a touch of refinement to every interior. The luminaire's high colour rendering index (CRI) guarantees respect for colour perception.
