

Sferico sospeso

ACCNSFS.01207

Until our stock lasts.

A twin-emission indoor suspension luminaire for direct and indirect light. Can be dimmed using traditional controls and Casambi. Available in white, matt gold and silver versions, it comes with transparent methacrylate domes with focusing lenses for accent lighting or opalescent lenses for soft diffused lighting. The luminaire's high colour rendering index (CRI) guarantees respect for colour perception and correct ambient light. A ceiling rose accessory is available that enables several luminaires to be connected in series.

Characteristics

Material	Steel, Aluminium, Technopolymers
Finish	Gold
Configuration	Suspension
IP rating	IP 20
Insulation class	1
Lamp/Led	LED
Power supply	included
Dimming	Phase-cut
Watt	18W
Volt	220-240V
°K	2.7K
Emission	Bi-emission
Lumen	2200 lm
CRI	CRI 92
Version	Opalescent
Height (mm)	2500
Diameter (mm)	140
Weight (g)	1700
Certifications	CE, UKCA

Color: Gold
