

TensoStilo

ACCNTEN.0856N

A led TensoLuminaire operating at mains voltage with no need for a transformer and mounted on 230V cables, comprising a twin-emission lighting body for direct and indirect diffused light. With its essentially simple, linear shape, TensoStilo is available in white and silver finishes with diffusers in opalescent methacrylate. This luminaire is fitted with TensoClic, the patented insulation-piercing connector.
