

Fludd 250 Plafone | Parete

CL13900W2

An indoor suspension and ceiling lamp for diffused light that can be dimmed using traditional controls and Casambi. A transparent disc with anti-glare mini-prisms breaks down the light emitted by the upper emission element and concentrates it downwards, giving shape to a luminaire with an unusual optical effect. The Fludd's diffused, shaded light makes the suspended version suitable for installation at any height, while the ceiling version also illuminates the ceiling. The luminaire's high colour rendering index (CRI) guarantees respect for colour perception and correct ambient light.

Characteristics

| | |
|------------------|----------------------------------|
| Material | Technopolymers, Aluminium, Steel |
| Finish | Opalescent Transparent |
| Configuration | Ceiling, Wall |
| IP rating | IP 20 |
| Insulation class | 1 |
| Lamp/Led | LED |
| Power supply | included |
| Dimming | Phase-cut |
| Watt | 11W |
| Volt | 220-240V |
| °K | 2.7K |
| Emission | Diffuse light |
| Lumen | 1.200 lm |
| CRI | CRI > 90 |
| Depth (mm) | 66 |
| Diameter (mm) | 250 |
| Weight (g) | 670 |
| Certifications | CE, UKCA |
| Designer | Alessandro Scandurra |
| Year | 2025 |

Color: Opalescent Transparent
