

# Volée 140

CL158000W2

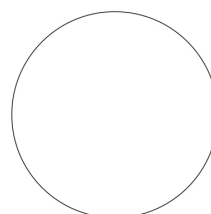

Volée is a wall light with indirect light that stands out for its essential design, an expression of minimalism conceived for those seeking a contemporary aesthetic. Available in two diameters, 180 and 140 millimetres, it allows the light to be easily directed, adapting to different functional and stylistic needs. Thanks to its ability to diffuse a soft and enveloping luminosity, it contributes to creating welcoming and harmonious environments. The range of colours available allows for natural integration into any style, transforming any space into a place full of character, combining aesthetics and versatility for a dynamic and balanced result.
