

Minima Filo Decentrata

CL15904BB2

Minima is a family of lamps with a minimalist design that stands out for its synthesis of forms. Consisting of a PMMA diffuser and an aluminium body, an electric cable and a metal extruded element that acts as a support, it represents an evocative and choreographic lighting solution. The extruded element, enhanced by the cable, guides the eye and creates a visual path that leads energy to the light point, tracing an evocative line in space. Minima blends into any environment with versatility, adapting naturally and elegantly to any interior design context. Depending on the variant, it can drop from the ceiling as a pendant, protrude from the walls as a wall light, emerge from the floor as a floor lamp, or create an elegant arc. Available in black, white, light blue, light dove grey and green, this lamp is a sophisticated interpretation of light that combines elegance and functionality.

Characteristics

Finish	Black RAL 9005 – black cable
Configuration	Floor, Ceiling
IP rating	IP 20
Insulation class	1
Lamp/Led	LED
Power supply	included
Dimming	Dimmable
Watt	18W
Volt	220-240V
°K	2.7K
Emission	Direct
Lumen	2.780 lm
CRI	CRI 90
Width (mm)	2000
Length (mm)	300
Height (mm)	95
Diameter (mm)	250
Certifications	CE, UKCA
Designer	
Year	2025

Color: Black RAL 9005 – black cable
