

Cordina Conico Vetro Cromo-Tabacco

CT157003W2

Cordina is an indoor suspension system that allows any space to be illuminated by connecting the power supply point with the areas of the room that need one or more light points. Available in four sizes - cylindrical, spherical, linear and conical - Cordina lends itself to refined lighting geometries characterised by an intimate and diffuse light. Its wire, up to 10 metres long, allows it to unleash the imagination, enabling bold design compositions that defy gravity. With a range of colours that fits harmoniously into any furnishing style, Cordina transforms any room with its versatile elegance.
