

Ispirate alla grande volta curva del cielo, le lampade a sospensione da esterno e interno Galileo hanno un tratto grafico deciso che ricalca una perfetta mezza sfera. Sospensioni e applique, di dimensioni e finiture interne diverse, sono realizzate in ferro per l'interno e in ottone per l'esterno.

Inspired by the great curved vault of the sky, Galileo outdoor or indoor pendant lamps have a powerful graphic line that resembles a perfect half-sphere. These Italian pendant lamps and wall lamps, in different sizes and interior finishes, are made of iron for indoor and brass for outdoor.
