Monster Table

MARCEL WANDERS

The Monster table is the largest Monster ever created. It has the same great genes and curving lines of the Monster chair. The Monster table has a huge appetite that needs to be satisfied, so we advice to have a gathering around the Monster table at least once a day, preferably around dinner time. Do not forget to feed it with flowers, poetry and love.

Detailing

Monsters are always big, bold and stylish. The Monster Table shares the great genes and curvy lines of the iconic Monster Chair.
