

CUPIDO

Alon Rotman

The Cupido table lamp embodies a love story between mass and line, expressing the romantic tension that results from the fusion of these two elements. A fine cable shapes the metal stem of the lamp, evoking the image of Cupid's bow and symbolising a deep, passionate bond. The result is a harmonious balance between elegance and visual strength.

CUPIDO

LAMPING

Source	LED linear
Total power	5W
Switching	dimmable on board
