

# Gople System - Track - 90° Angle with electrical connection - Black

BIG - Bjarke Ingels Group

## LUMINAIRE

- Voltage: **48V**

## DESCRIPTION

The latest addition to the Gople family is Gople Spot, which offers highly professional performance within the soft geometries of its reduced-scale diffuser.

The spotlight comes in two sizes, corresponding to different power and flux levels, each with multiple beam aperture angles.

A dedicated track allows the use of Gople Spot for the projection of both direct and indirect light. It can also house diffused light modules within it.

Gople Track modules can be combined in line or allow the freedom to define any corner of the space with an electrical connection unconstrained by any mechanical joint. Thanks to Artemide's experience in developing systems that are increasingly unhindered by the limitations of electrical connections, Gople track can extend for long sections with just a single point of electrical connection.

Gople Track combines with the Alphabet of Light system, creating a universal lighting system able to meet the requirements of any space, but above all to define a new approach to lighting projects.

This is an increasingly universal language that diversifies its performance and expands the freedom to illuminate every angle.

**PRODUCT CODE: CB40004**

## FEATURES

- Article Code: **CB40004**
- Colour: **Black**
- Installation: **Track**
- Series: **Architectural Indoor**
- design by: **BIG - Bjarke Ingels Group**

## DIMENSIONS

- Length: **cm 7.5**
- Width: **cm 7.5**
- Height: **cm 54.6**
- Diameter: **cm 5**

**Accessories**

Recessed Power Supply kit - 396x178x108h - 320W - Undimmable CB60601

Recessed Power Supply kit - 396x178x108h - 320W - DALI/PUSH/0-10 CB60701

Recessed Power Supply kit - 396x178x108h - 320W - Artemide APP CB60801

Remote Power Supply kit - 313x243x57,5h - 240W - DALI/PUSH/0-10 CB70001

Remote Power Supply kit - 313x243x57,5h - 240W - Artemide APP CB70101

Remote Power Supply kit - 313x243x57,5h - 320W - DALI/PUSH/0-10 CB70201

Remote Power Supply kit - 313x243x57,5h - 320W - Artemide APP CB70301

Ceiling Power Supply kit - 400x110x49h - 240W - Artemide APP - White CB50501

Ceiling Power Supply kit - 400x110x49h - 240W - Artemide APP - Black CB50504

Recessed Power Supply kit - 396x178x108h - 150W - Undimmable CB60001

Recessed Power Supply kit - 396x178x108h - 150W - DALI/PUSH/0-10 CB60101

Recessed Power Supply kit - 396x178x108h - 150W - Artemide APP CB60201

Recessed Power Supply kit - 396x178x108h - 240W - Undimmable CB60301

Recessed Power Supply kit - 396x178x108h - 240W - DALI/PUSH/0-10 CB60401

Recessed Power Supply kit - 396x178x108h - 240W - Artemide APP CB60501

Ceiling Power Supply kit - 400x110x49h - 150W - DALI/PUSH/0-10 - White CB50101

Ceiling Power Supply kit - 400x110x49h - 150W - DALI/PUSH/0-10 - Black CB50104

Ceiling Power Supply kit - 400x110x49h - 150W - Artemide APP - White CB50201

Ceiling Power Supply kit - 400x110x49h - 150W -  
Artemide APP - Black CB50204

Ceiling Power Supply kit - 400x110x49h - 240W -  
Undimmable - White CB50301
